

## Student Involvement in Botany Luncheon Interactive Career Panel: Explore your Botanical Career Options

Monday, June 26th from 12:00PM to 1:30PM  
Texas Ballrooms G, H, I

Dr. William (Ned) Friedman  
Keynote Speaker  
Director of the Arnold Arboretum  
Arnold Professor of Organismic and Evolutionary Biology  
Harvard University

Price: \$10 for students, \$35 for all other attendees

Please join us for the sixth annual “Interactive Career Panel & Luncheon” at the 2017 Botany Conference in Fort Worth, Texas! We will start out the luncheon with a short ‘keynote’ presentation, provided by Dr. William (Ned) Friedman. Then, our panelists from various professions (e.g., academia, NGOs, and industry) will rotate from table to table giving you the opportunity to ask them questions about how they decided upon their career, how they got there, and what they enjoy most about it. So, if you’d like to learn more about how to make the best out of a career in the plant sciences over a catered lunch... add our event to your registration ticket!

(It’s easy to add events to your registration! Visit <http://2017.botanyconference.org>, click on the link to register, and chose “Modify Registration” - have your confirmation number ready.)

Organized by  
James McDaniel and  
Rebecca Povilus  
BSA Student Representatives
