

# Group Promo Code

Hello and thank you for choosing Rochester Shuttle Service for your group's transportation needs. We offer 13 trips daily with service to Minneapolis-St. Paul International (MSP), Mall of America, and Rochester International (RST). Every shuttle has Wi-Fi so you can stay in contact with your office or just sit back and enjoy a movie.

We have two easy ways for you to access your group's promo code.

**Web:** Visit our webpage [www.rochestershuttleservice.com](http://www.rochestershuttleservice.com) and click on the "Reserve Now" button on the top. From there, you will enter your starting point, either to or from MSP or RST. You will then select your pick up and drop off point, date of travel, airline, and number of passengers. You will need to select adult passengers for your code to work. Each passenger is allowed one checked bag, one carry-on and one purse or briefcase. If you will be traveling with extra bags you will need to select the number of bags over the limit you will be bringing with you. It will then show you the available trips on that date. For arrivals please select a trip that will leave about one hour after you are scheduled to land and for departures select the airport arrival time that is at least 2 hours prior to your scheduled departure. Once you have selected the next screen will allow you to review your reservation, add other legs to your trip, and to enter your group's code that is printed below. Proper spelling and capitalization are essential for you to access your group's code. From there it will ask if you would like to create an account or check out as a guest, make your selection, follow the instructions on the page and you will be all set.

**Phone:** Please call our office at 507-216-6354 and let our agent know you will be using the promo code printed below at the beginning of the call. Our friendly staff will then ask you all of the information required to complete the reservation and send you the confirmation. Please have your flight information handy when calling in, as your agent will need it during the booking process.

Thank you for choosing Rochester Shuttle Service.
